

Instructions

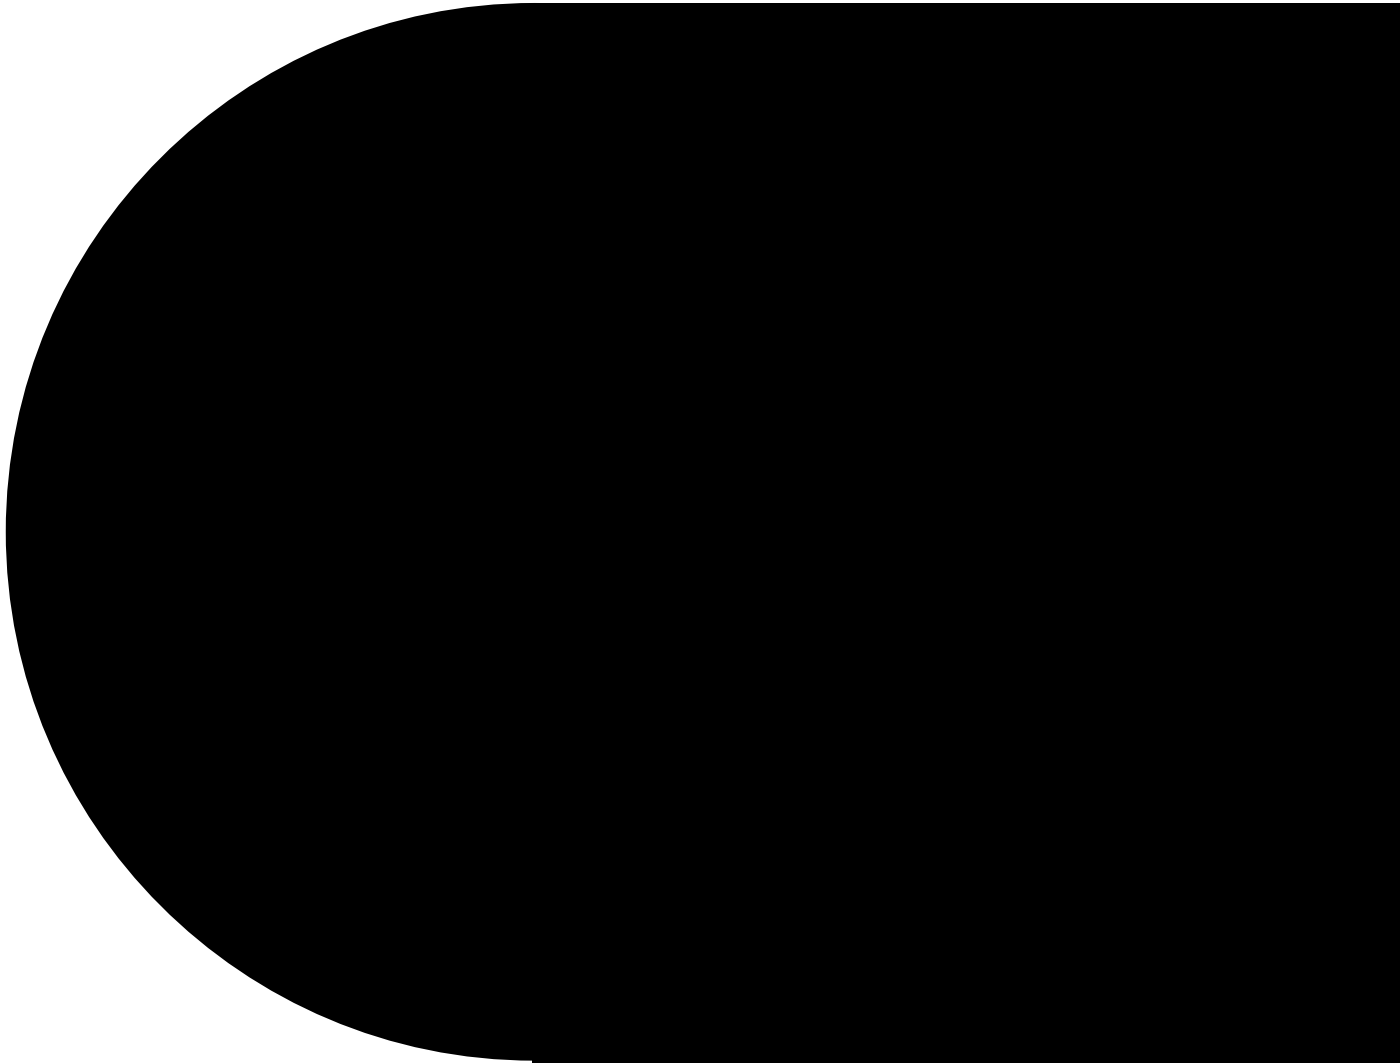

1. Cut around the perimeter of the square with scissors.
2. Carefully cut out the circle.

Instructions

1. Cut around the square surrounding the moon.
2. Tape to the back of the black card from the previous step, making sure that the moon lines up with the hole in the card.

Only tape this along the top and bottom of the card. Please leave the sides open.

Instructions

1. Cut around the edge of this shape!
2. Slide into the opening on the side of the phases of the moon frame.
